HAZARDOUS WASTE EVENT

Saturday, April 27, 9:00 – 3:00

Upper Valley Disposal & Recycling St. Helena Location

Do you have hazardous waste at your home that you want to get rid of for spring cleaning? We have just the event for you! Upper Valley Waste Management Agency will host a one-day hazardous waste collection at the Upper Valley Composting and Recycling Facility located just south of the City of St. Helena and adjacent to Pestoni Family Winery on Saturday, April 27, from 9 am to 3 pm. A licensed hazardous waste handling company will accept a variety of hazardous wastes from local residents at no charge. Participants will enter the driveway at 1673 St. Helena Highway (Hwy 29).

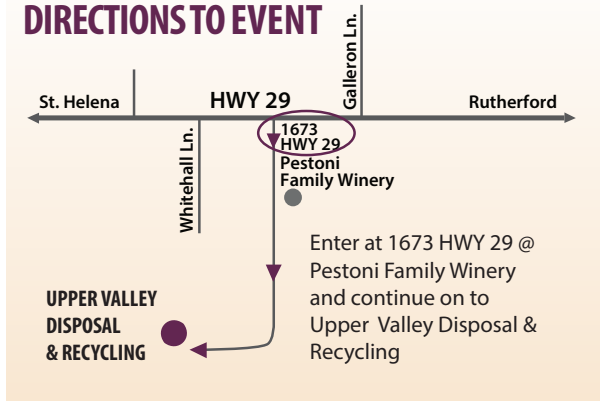

To be safe, residents should pack hazardous waste in the trunk or bed of their vehicle and transport it in amounts less than 15 gallons or 125

pounds per trip. The event is open to all who are UVDS residential customers or use Clover Flat Landfill, but the event is for households only.

Businesses that generate limited quantities of hazardous wastes will be able to dispose of them on Friday, April 26, from 1 pm to 4 pm. This collection event is open to only those businesses that generate less than 27 gallons or 220 pounds of hazardous waste per month. Appointments are required – call 707-259-8330 by 5 pm on Wednesday, April 24 to schedule a drop-off time. Businesses must pay disposal fees for hazardous wastes that they bring to this collection event.

For more information, contact Amanda Griffis of Upper Valley Waste Management Agency at 707-259-8330.
